Wedding Hair & Makeup Agreement 2022/2023

Congratulations on your recent engagement. We love weddings, and look forward to providing you with the best service on your wedding day. To keep us both protected and committed to one another there is a contract that we both will sign. This locks in your date and secures your appointment times. Please advise us of the amount of people that require hair and makeup no later than 12 weeks before the big day. This allows us to provide you with a sufficient amount of stylists/artists. Any changes that cause us to be unprepared are not our responsibility, however we will do our very best to accommodate any last minute needs. Below you will find the contract and payment schedule for services rendered. Please feel free to contact us with any questions or needs.
